# OXVSY

automation and more

We create autonomous infrastructure and scalable solutions for modern world problems.

# ***ABOUT US***

Since 2019, We have shown commendable progress in our domain (Fintech), and now we are finally here to expand our firm and get a much stronger hold in this shark pool.

Oxvsys is a combination of alphabets which have a hidden meaning.

Ox (the Bull) is the symbol of strength which indeed depicts the robustness of the company.  
Letter V stands for Virtual and Sys is the shortform of system, so when we combine these three Ox-V-Sys stands for Strongest Virtual System.

# ***HOW CAN WE PROVIDE VALUE***

## **SOFTWARE AUTOMATION**

We provide software automation solution on various platforms like Android, Web, IOS. We have also gathered lots of expertise in automation tools and libraries

## **MODERN WEB APP**

A modern web application is a combination of Progressive Web App, Single Page Application. With our mobile-first approach and feature like background sync, we believe we can change how enterprise software is made

## **COMPUTER VISION**

Our computer vision solutions is used in RPA, Custom OCR Workflows and across Multiple sectors where object detection automates a repetitive task.

## BUDGET TOOL

Create budget for manufacturing unit. Create multiple revisions and change order for given project.

Plan and generate budgeting reports

## EVENT MANAGEMENT TOOL

Able to host offline and online events. Plan Events share with peers.

Collaborate with people with chat system.

## EXIM

A tool where an Import Export Consultant can collaborate with individuals and companies on importing and exporting goods.

Our Tool helps to create a custom workflow for document approvals and connect with consultants within no time.

Workflows

- New Import workflow  
HSN code based workflow : Post 2020

## KIAF

A simple yet useful tool to enlist farmer and their livestock and area under farming.

This survey helps our client to provide farmer with financial assistance and promote relevant products.

## SHG FINANCE

Private Small Finance banks collect some predefined amount on a monthly basis and then distribute the collected amount to the shareholder as a form of a loan.

This is one of the primary incomes of such banks along with fixed deposits and other monthly or periodic income such as fines, shares, etc.
